

A diagram showing a rectangular region divided into seven sub-regions labeled A_0 through A_7 by curved lines. The regions are arranged in two rows. The top row contains A_0 , A_1 , A_2 , and A_3 from left to right. The bottom row contains A_4 , A_5 , and A_6 from left to right. A_7 is a smaller region located below A_5 . The lines separating the regions are smooth and curved, creating an irregular partition of the rectangle.
